

## **SAVE THE DATE AUGUST 24,2019**

**Dear Community;**

**As part of a grant-funded project , Fire Safe Sonoma is planning a series of community meetings to provide wildire safety and protection information to residents in your area.**

**The project involves providing general wildfire safety information at special events and community meetings in the West-County area, as well as opportunities for local residents to have a free home defensible-space assessment conducted at their home and exclusive access to a chipper program specifically designated to residents in their area.**

**On August 24, 2019 from 2:00pm-4:00pm at the Timber Cove Firehouse will be our first community meeting.**

**We all want a safe community so we welcome everyone to join us.**
