Location: Tank 3, 22108 Timber Cove Road Jenner, CA 95450

Dear Timber Cove Customers,

Timber Cove County Water District will be performing an essential repair on our main line at Tank 3 to replace existing piping with new stainless-steel pipe and fittings. This work is necessary to ensure long-term reliability and safety of your water system.

During this time, water service will be temporarily interrupted. The plumbing contractor has estimated that the outage may last up to 48 hours. We will provide updates and advise customers as new information becomes available.

Addresses affected: 22105, 22102, 22089, 22090 and 22097 Timber Cove Rd, 22111 Signacio, 22090, 22091, 22098, 22081, 22082 and 22085 Lyons Court, 22079, 22087, 22095 and 22088 Gordon Court

We recommend that all customers:

- Store enough water for household use before 8:00 AM on November 17, 2025, We also have bottled water available at the Plant for pick up.
- After service is restored, run your cold water tap for several minutes to clear any air or discoloration.

We apologize for the inconvenience and appreciate your understanding as we complete this important infrastructure improvement.
