† Local measure letters are assigned alphabetically in the order the measures are filed.

‡ Although the deadline to send ballots to currently registered military/overseas voters falls on a Saturday (Sept. 20, 2025), because the deadline is set by federal election law, it does **not** move to the next business day.

§ The standard deadline for the Registrar of Voters Office to receive Vote-by-Mail ballots which are postmarked on or before Election Day is Nov. 11, 2025 (7 days after Election Day), but since that day is a County holiday (Veterans' Day), the deadline is moved back to the next business day (Nov. 12, 2025).
